THE ELMA NEWSLETTER

Vol. 1 Issue 1

1995 Elma, NY

FIRST EDITION

Welcome to the first edition of the monthly Motorola-Elma newsletter. The newsletter is dedicated to providing you with current information about major activities occurring within our facility. We will also keep you posted on upcoming events and new initiatives which may be of interest to you.

In this first edition, we invite you to participate in our contest to "Name the Newsletter." At the bottom of the other side of this page is a tear off form for you to write your suggestion. A box will be placed near the Employee Entrance for you to drop off your entries. The contest will be conducted during the period June 5 to June 16. The contest winner will be announced on June 23.

We are also looking for volunteers to be a part of the editorial staff. These individuals will be responsible for writing and editing

articles, organizing the layout and distributing the finished product. The first meeting for volunteers is scheduled for June 8, from 2:30pm - 3:30pm in the Accounting Conference Area, 2nd Floor. If you are unable to attend, contact SY Street or Donna Lilly for further details.

We welcome your feedback on the newsletter as well as ideas for future articles.

LIFEWORKS

At Motorola we are committed to your personal and professional well-being, and we realize how challenging it is to balance changes in your work and family life. That's why we're pleased to introduce the Life-Works family resource program, an enhanced employee benefit that will help you deal with these changes and make your life a little easier.
